PROJECT:

Title: ATTENDACE MANAGEMENT SYSTEM .

TECHNOLOGIES used: PYTHON, DJANGO, SQLITE, HTML, CSS, JAVASCRIPT, BOOTSTRAP.

Description: Created website using django web frame work using MVT design pattern. The Attendance Management System is a comprehensive web application developed using Python, Django, SQLite, HTML, CSS, Bootstrap, and JavaScript. It simplifies the process of recording and managing student attendance with features such as registration, login, attendance tracking, data manipulation, delete row option, and logout functionality. Users can register and login securely, input roll numbers, student names, dates, times, and attendance status (present or absent) for each student, and the system securely stores this data in the SQLite database. The intuitive interface, combined with the utilization of various web technologies, ensures an organized and efficient solution for managing attendance in educational institutions or similar environments.

EXTRACURRICULAR ACTIVITIES:

- I have played under 14,16,19 in cricket and Telangana state cricket association tournament .

- Captain of school team and college team.

TECHNOLOGY PROFICIENCIES:

- **Programming Language :** "Python 3".
- **Frame works :** " Django".
- **UI Technology :** "HTML, CSS, Bootstrap, Basic java script".
- **Databases :** "SQLITE 3".

SKILLS:

- Self Motivated.

- Excellent communication skills and good attention to details.

- Ability to learn quickly and an interest in knowing new things if required.

PERSONAL PROFILE:

- Name : Ch. Joshna Narendra Varma.
- Father's name : Ch. Srinivas.
- Date of birth : 28-JAN-1998.
- Marital Status : Single.
- Languages known : English, Telugu.
- Hobbies : Listening music, playing cricket.

DECLARATION:

I would be glad to provide further information that may be required
